Open Positions with No Fees for Applicants

Top 5 Reasons Express Is the Best Step in Your Job Search

1. **No fees for applicants.** Express Employment Professionals works with local companies in need of part- and full-time workers, giving you access to open positions in a variety of industries. We're confidential and never charge you a fee.
2. **One application, multiple job openings.** With one application, your skills and abilities are matched with open positions at multiple client companies. We'll help determine which companies are the best fit for your next move.
3. **Two easy ways to complete your application.** Call our office and we'll process your application over the phone. You can also complete the application directly on the ExpressJobs app. Either way, we'll help you prepare for your interview and connect you with local businesses looking for talented workers.
4. **Express employs more than 579,000 people annually.** Each office is locally owned and invested in the community.
5. **Benefits available.** When you work for Express, you're on our payroll and may be eligible for benefits, including medical.*
