

Find your next meaningful job at Advocates.

Help support people with developmental disabilities, autism, brain injuries, and mental health challenges to grow and thrive in their communities.

We're Hiring Entry Level Positions

- Direct Care Professionals
- Skills Instructors
- Licensed Nurse Practitioners and Certified Nursing Assistants
- Case Managers/Rehabilitation Specialists
- Psychiatric Rehabilitation/Mobile Outreach Specialists

Many roles provide ongoing support, guidance, and role modeling to people we support in group living environments, day programs, and clinical and community settings.

No experience? No problem, we'll train you!

Enjoy Employment Perks

- Generous paid time off
- Comprehensive training and peer mentoring
- Flexibility and self-care tools
- Comprehensive benefits
- Tuition reimbursement options
- Many growth opportunities
