EXTRUSION TEAM LEAD

EasyPak™ provides dependable thermoformed packaging solutions for food, consumer goods, medical, and industrial markets. Formed from five industry leaders, EasyPak combines 120+ years of experience to deliver innovative, sustainable packaging and national manufacturing capabilities. Packaging. Made Easy.

EasyPak™ is urgently seeking a leader to head PET extrusion operations and supervise a skilled team at a growing thermoforming leader. Competitive pay, meaningful responsibility, and a schedule that gives you multi-day blocks off!

What You'll Do:

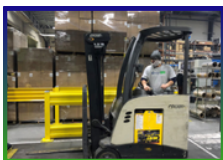

- ⊗ Lead daily operations across PET extrusion lines
- ⊗ Set up, operate, and troubleshoot extrusion equipment
- ⊗ Monitor production, quality, scrap, and downtime; enforce safety and PPE
- ⊗ Manage resin blending/drying and process parameters for consistent product quality
- ⊗ Train, coach, and schedule operators; coordinate with Maintenance and Quality
- ⊗ Complete production reporting and material audits

What You'll Earn:

- ⊗ \$30.00 per hour
- ⊗ Shift: 5:00 PM–5:00 AM
- ⊗ Rotating 2-week schedule (3–4 day work weeks):
 - Week 1: Work: Mon, Fri, Sat, Sun — Off: Tue/Wed/Thu
 - Week 2: Work: Tue, Wed, Thu — Off: Mon/Fri/Sat/Sun

What We're Looking For:

- ⊗ High school diploma / GED
- ⊗ ~5 years' experience with processing/manufacturing equipment (extrusion or thermoforming strongly preferred)
- ⊗ Knowledge of PET extrusion, drying/crystallization, moisture/IV control
- ⊗ Strong leadership, communication, and teamwork skills (English required; Spanish preferred)
- ⊗ Physically able to lift 40–50 lbs, stand, bend, climb, and work in a noisy manufacturing environment
