

We Are Hiring!

ADMINISTRATOR

The Advisory Board of the Montachusett Regional Transit Authority (MART) invites applications for the position of Administrator. MART is a quasi-public authority providing twenty-five communities in north central Massachusetts with fixed route, paratransit and Council on Aging transportation services. MART also manages an extensive human service transportation brokerage service contract for the Executive Office of Health and Human Services (EOHHS). The Administrator is the agency's Chief Executive Officer, responsible for providing overall leadership and effective management of the organization within policies and directives of the Federal Transit Administration (FTA), Massachusetts DOT, Massachusetts EOHHS and MART's Advisory Board.

Candidates are required to have considerable transit industry and business management experience. Five years of progressively responsible transit industry management experience is required with at least three years at a senior management position.

Applications should include the following:

- Letter of application (not exceeding 3 pages) addressing how your experience and professional qualifications will serve MART's needs
- Current resume including contact information and e-mail address
- Three (3) professional references
