The MassHire Department of Career Services Rapid Response Team provides statewide, early intervention re-employment services at *no cost* to companies and their employees affected by layoffs and closings. This Rapid Response Program is federally funded through the Workforce Innovation and Opportunity Act (WIOA). We look forward to assisting you in the transition to re-employment.

MassHire Program & Services are funded in part by US Department of Labor (USDOL) Employment and Training Administration grants as well as non-federal funded grants • Additional details furnished upon request.
