WORKFORCE DEVELOPMENT

# WORKFORCE TRAINING

## IT Help Desk

Begin your entry-level IT career. This course prepares students for the CompTIA Tech+ Exam, focusing on IT support skills like troubleshooting, problem-solving, customer service, system setup, and issue resolution. In-person lab time provides students with hands-on experience.

## Paraprofessional

Jump-start your career in a high-demand educational field. This course prepares students for the ParaPro Certification Exam. Students will gain valuable certifications in CPR, first aid, and AED. This training provides job shadowing at a potential future employer.

## Home Health Aide

Launch your health care career with in-demand Home Health Aide training! Course provides the skills and knowledge needed to succeed as a Home Health Aide with comprehensive training and hands-on experience.
