

## **Do you need some assistance with your Digital Literacy Skills?**

**Do you have the skills you need to live, learn, and work where communication and access to information is increasingly received through digital technologies like internet platforms, social media, and mobile devices?**

Did you know that over 70 percent of U.S. jobs now require middle- to high-level digital skills?

Marketing, customer service, retail, managing, writing, and selling are just a few of the jobs that require digital skills. In short, it is safe to assume that almost all jobs require some level of digital skills.

**MassHire North Central Career Center can help!**
